Artists Meet Affordable Care Act: Albuquerque's First Creative Coverage Cabaret

Albuquerque, N.M. – The Albuquerque artistic community is invited to the first-ever Creative Coverage Cabaret, sponsored by Health Action New Mexico. The cabaret will be held on Feb. 16, from 4-7 pm at Art Bar, 119 Gold Ave SW, to educate Albuquerque's artistic community on their options for new health care coverage and enroll those who are eligible.

The event will feature several live performances by local artists, Affordable Care Act educational sessions, a pub quiz, and direct enrollments for health insurance with health guides. The evening will be emceed by local comedian, Sarah Kennedy.

Of the more than 2 million residents in the state, about 360,000 people under the age of 65 do not have health insurance. This means that one in five individuals are living without health coverage. Health Action New Mexico wants to help New Mexico artists get affordable and accessible health care coverage so that they can continue to grow Albuquerque's cultural and artistic heritage.
